

INTERNET SAFETY TIPS

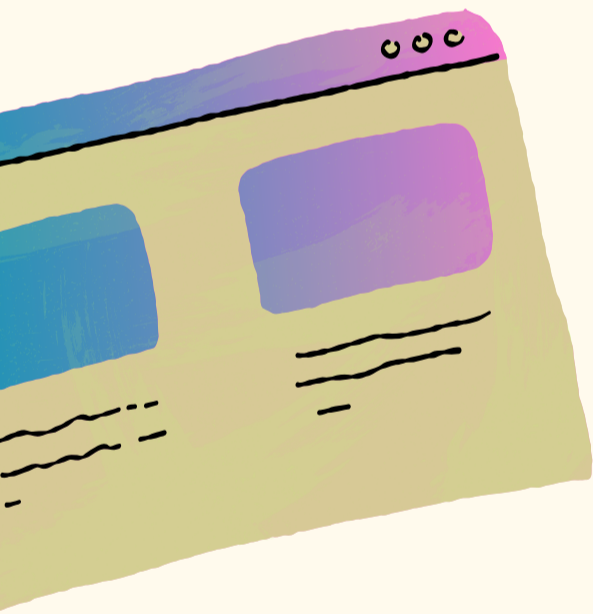

USE STRONG PASSWORD

Choose a unique password which isn't easy to break. Your password is #secret, you don't share it with others.

THINK BEFORE WRITING

Be a polite digital citizen. Make decent and nice comments online.

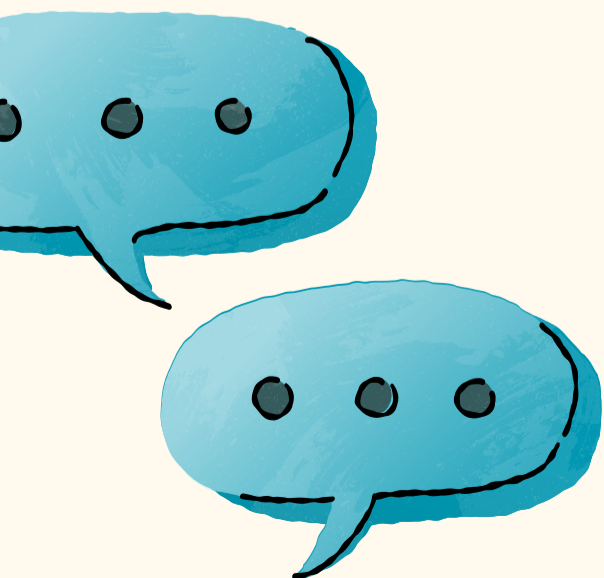

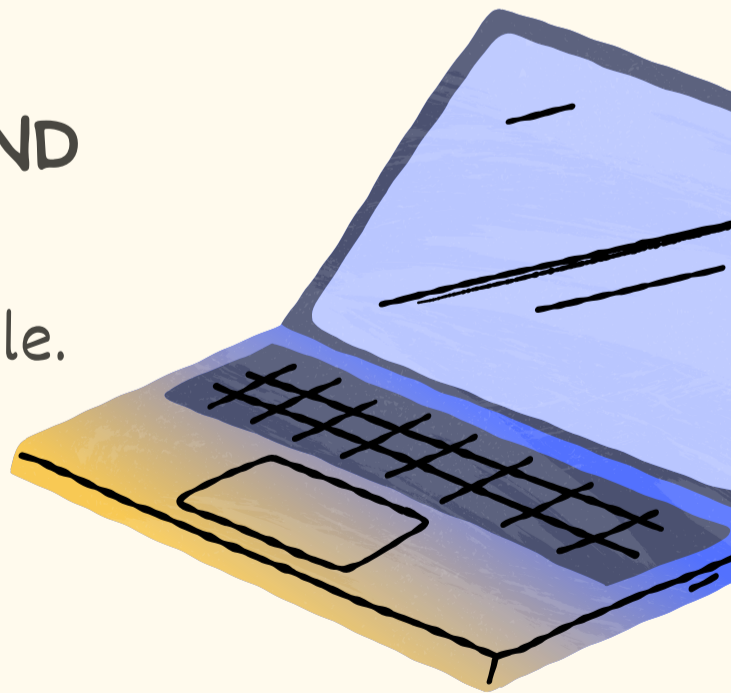

CYBERBULLYING

If you receive a message from an unknown person, or somebody insults you on the internet, immediately tell your parents or teachers.

PERSONAL PHOTOS AND MESSAGES

share ONLY with close people.

BE CAUTIOUS

Use privacy settings, be aware of scammers, viruses, suspicious activities.

STAY ALERT ON THE INTERNET!
